

**Our first breakfast of 2015 was opened with a devotional by Don Morpheus. Have we ever lied to a supervisor about anything we did but was afraid to admit. Don and Michael fessed up but you will have to ask them what it was. Pastor David said grace and we all said AMEN. We had a good breakfast and great fellowship. You are welcome to join us the first Saturday of every month at the IHop in Lantana on the corner of US1 & Hypoluxo road in the Kmart shopping center. You do not have to be a member of our church to join us. All are welcome.**
